

Freedom Soccer Club fee payment policy

When a player or family accepts a position on a Freedom Soccer Club team it's an agreement to be responsible for the fees, the payment schedule and the terms associated with it. Fees cover, training, coaching at games and practices, State Association fees, league fees, referee fees, tournament fees, administrative cost and winter indoor training. It does not cover uniforms and additional events and cost outside the typical season.

Fees can be made in advance of the schedule. A nonrefundable deposit is required upon accepting a team position.

Fee payments will not be refunded or excused because of absences or withdrawal from a team or interpretation of what fees are due.

Fee payments are necessary to make the commitments to the leagues, facilities and tournaments. These organizations require payments in advance of the season or event. As a result, failure to pay fees when due will invoke the club's **"pay to play"** policy. Players will be ineligible to participate in Freedom team practices, games and tournaments until the payment due are received.

Situations may arise that can affect timely payments. It is the family's responsibility to communicate that promptly with the club.
